Rant
-Only Complete Volumes, only High Quality- :P

Ok this is the first release that I have done all by my self,
pretty good seeing how I was able to do the entire volume in 6 hours.
I will be releasing volume 2 in a few days to finish up the series

now about the sites
Let me tell you I HATE Tazmo, if you want to know why just
google stop tazmo, come on a guy who takes all the hard work
the community does and sells it, its like selling free open sorce software

www stoptazmo.com -has alot of cool manga to download for free,
check it out.

www.lifeanime.co.cc -is my own site, check it out to see my other stuff,
or ask for my help with cleaning a manga for
your site

Very IMPORTANT-
I need scans of Scryed (aka s-CRY-ed) Volume 5 please,
I have volumes 1-4. If some some would please send me the scans
I will clean and post it

Manga That I also Need Scans of

Ah! My Goddess
One Piece
Naruto
Prince of Tennis

Any Thing You have on your shelf will be wanted.

Just scan at 1800 x1400 24 bit for color pages, 8 bit for Gray Pages
Save in PNG or TIFF format (they will be about 1-2 MB per page for
PNG, or 3-5 MB for TIFF)
And Rember if you like the manga, buy it at your local store
(if its in your county :P)

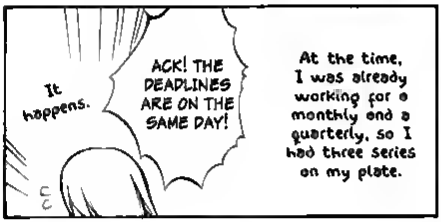
THANK YOU FOR BUYING MURDER PRINCESS #1
I'm pretty tired now.
People always say I look sleepy.
I'M PLEASED TO MEET YOU! IF YOU KNOW ME ALREADY, LONG TIME NO SEE! I'M INUI.



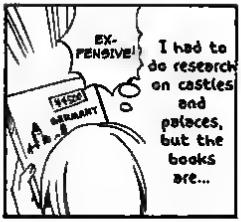
It happens.
ACK! THE DEADLINES ARE ON THE SAME DAY!
At the time, I was already working for a monthly and a quarterly, so I had three series on my plate.

This manga is set in a fantasy world.
Thank you very much.
It was tough for my editor and assistants, but I was able to get this manga out!

www.lifeanime.co.cc

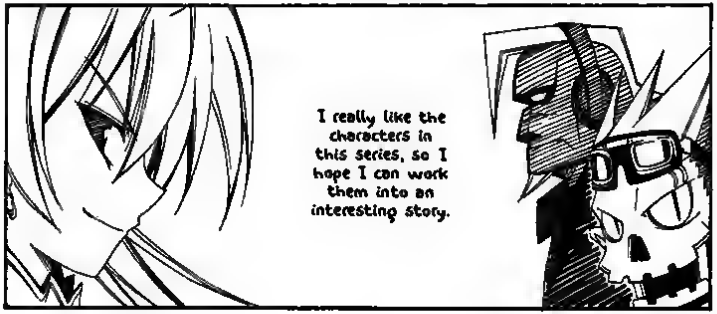
I looked for fantasy-ish places in Japan, took pictures at DisneySea, and I wanted to go to British Hills.

I needed them, though, so I spent a lot of money. I also traveled around taking pictures.



I like fantasy work, but it's very hard.

LINEAGE II = A HIGHLY ADDICTIVE MMORPG



Thanks to everyone who was involved in the creation of this manga.
Former Editor Hanukichi-san.
Current Editor Zombie Mask-san.
All of my assistants.
And of course, all of you who read my manga!
I'll see you in Volume 2!

I can't believe my favorite manga artists drew my characters! I'm so lucky! Thank you very much!

Guess what!? As special guests, POP-sensei and Shonen Sasaki-sensei drew some Murder Princess characters!

COME ON, INUI-SAN.

BY THE WAY, FOR JAPANESE KATANA I PREFER THE "SEKI NO MAGOROKU." YES, I KNOW IT'S RANDOM.

THANK YOU FOR INVITING ME. LET'S HANG OUT SOMETIME.
